

Health and Safety Plan Summary: I'm Big Now Learning Center

Anticipated Launch Date: July 6th 2020

Use these summary tables to provide your local education community with a detailed overview of your Health and Safety Plan. LEAs are required to post this summary on their website. To complete the summary, copy and paste the domain summaries from the Health and Safety Plan tables above.

Facilities Cleaning, Sanitizing, Disinfecting and Ventilation

Requirement(s)	Strategies, Policies and Procedures
* Cleaning, sanitizing, disinfecting, and ventilating learning spaces, surfaces, and any other areas used by students (i.e., restrooms, drinking fountains, hallways, and transportation)	<p>All high touch areas will be cleaned and sanitized daily. This includes but not limited to door knobs, railings in the hallway, hooks that hold children's items, all items in bathrooms, all sinks, learning materials, Learning spaces (tables/desks) will be cleaned throughout the day multiple times. A deep cleaning will be done weekly by an outside cleaning person.</p> <p>Make sure landlord cleans our ventilating system before camps/schools starts. Utilize outside areas as much as possible to allow for lots of fresh air.</p>

Social Distancing and Other Safety Protocols

Requirement(s)	Strategies, Policies and Procedures
* Classroom/learning space occupancy that allows for 6 feet of separation among students and staff throughout the day, to the maximum extent feasible	<p>Students will be placed in small groups to limit exposure to each other. Groups will be limited to 3 to 4 students in a small group at a table with a space between each child to help with social distancing. For centers using the floor (aka block area), students will be instructed to distance from each other. Tape will be used as a marker on the floor designate where each child should sit.</p> <p>No longer will we have large group activities.</p> <p>During Circle time, each child will have a rug/ sit upon to have a certain place to sit. These rugs will be labeled so student has his/her own spot. to sit. The rugs/sit upons will be placed 6 feet apart from peers and teacher.</p> <p>Desks will be utilized for our primary room to keep students apart while doing individual work. If desks are not 6 feet apart, we will be using dividers.</p>
* Restricting the use of cafeterias and other congregate settings, and serving meals in alternate settings such as classrooms	
* Hygiene practices for students and staff including the manner and frequency of hand-washing and other best practices	
* Posting signs, in highly visible locations, that promote everyday protective measures, and how to stop the spread of germs	
* Handling sporting activities consistent with the CDC Considerations for Youth Sports	

Requirement(s)	Strategies, Policies and Procedures
<p>for recess and physical education classes</p> <p>Limiting the sharing of materials among students</p> <p>Staggering the use of communal spaces and hallways</p> <p>Adjusting transportation schedules and practices to create social distance between students</p> <p>Limiting the number of individuals in classrooms and other learning spaces, and interactions between groups of students</p> <p>Coordinating with local childcare regarding on site care, transportation protocol changes and, when possible, revised hours of operation or modified school-year calendars</p> <p>Other social distancing and safety practices</p>	<p>Students will eat in their own classroom for Primary</p> <p>Preschool/Prek will eat at individual tables with an empty seat in between for lunch.</p> <p>Students/ staff will be sanitizing hands the moment they walk into school. Sanitizing hands before/after high touch points (like going outside for playtime/gross motor room) or materials being shared(learning games in small groups). Hands washed before eating any snacks/meals. Handwashing after toileting (includes handwashing for students/ teachers after diapering). Handwashing after coughing/ using tissues/ hands in mouth.</p> <p>Preschool/Primary appropriate signs will be hung up around the school to promote everyday protective measures. These posters will be placed at child's eye level. These posters include pictures for non reading students.</p> <p>Student's and staff's hands will be sanitized before walking outside and playing. We will be allowing students to play on playground equipment. Students can also play by kicking balls, using their own chalk (supplied from home), races, and other items that keep the kids separated.</p> <p>All items touched by children/staff will be sanitized once inside for next time.</p> <p>Each child will be asked to supply a pencil case/bag with pencil, crayons, markers, eraser, paint brush. Any items that need to be shared will be used in same groups of students will be sanitized between groups.</p> <p>Arrows will divide hallway into lanes and allow students to pass Our classes are small. We have lots of extra spaces to turn larger class sizes into smaller groups(ie our Prek class last year)</p>

Monitoring Student and Staff Health

Requirement(s)	Strategies, Policies and Procedures
<p>* Monitoring students and staff for</p>	<p>Each day students will have temperatures checked at the door by staff before entering the building.</p>

Requirement(s)	Strategies, Policies and Procedures
<p>symptoms and history of exposure</p> <p>* Isolating or quarantining students, staff, or visitors if they become sick or demonstrate a history of exposure</p> <p>* Returning isolated or quarantined staff, students, or visitors to school</p> <p>Notifying staff, families, and the public of school closures and within-school- year changes in safety protocols</p>	<p>If students, staff or guest become sick, they will be placed in a room (students will have a staff member to be isolated). Parents will be called to pick up child within an hour. That isolated room will be closed off for 24 hours to allow for deep cleaning and sanitizing</p> <p>Staff will be asked to leave once we find a replacement.</p> <p>Any student with a fever of more than 100.0 must remain out of school for 72 hours after the fever has broken without fever reducing medications. We will not allow a doctor's note for returning before the 72 hours.</p> <p>Any student showing any concerning sign of a respiratory issue: excessive coughing, tugging in the chest, wheezing, shortness of breath, etc. will be sent home and may not return for 7 days plus 3 additional healthy days and must be cleared by a medical professional.</p> <p>Students with a cough and a fever will be required to be seen by a medical professional with-in 24 hours. Student must remain out of school for 7 days, plus an additional healthy 3 days. Parents will be required to contact the owners within 24 hours to inform the school what the illness may be.</p> <p>If a doctor has cleared your child to attend sooner, the medical professional MUST in writing state "That the child _____ was seen and was evaluated for _____... The child does NOT have Covid-19 and is able to return to childcare without placing another child or adult at risk" We must also have what the child has and why the child is coughing.</p> <p>If the child or anyone in the home or who was in direct contact with the parent of the child has a positive Covid-19, families must inform I'm Big Now Learning Center via email only, ASAP. The child will be required to stay home for 14 days.</p> <p>Once we move to red or when we need to close due to exposure to Covid-19, emails/ calls/ Facebook messages to go out about closures.</p>

Other Considerations for Students and Staff

Requirement(s)	Strategies, Policies and Procedures
<p>* Protecting students and staff at higher risk</p>	<p>If students have a higher risk of illness, we will be</p>

Requirement(s)	Strategies, Policies and Procedures
<p>for severe illness</p> <p>* Use of face coverings (masks or face shields) by all staff</p> <p>* Use of face coverings (masks or face shields) by older students (as appropriate)</p> <p>Unique safety protocols for students with complex needs or other vulnerable individuals</p> <p>Strategic deployment of staff</p>	<p>asking parents to help supply more ppe and training to help us keep that child healthy. Contact with those parents/staff will be important to keep health a main priority.</p> <p>All staff and students will be wearing face coverings while not eating/ drinking while inside the school. If social distancing allows, face coverings will be allowed off when outside.</p> <p>Ask all parents to supply masks.</p> <p>As we learn more about enrollment and staffing of the school, we will be changing how we staff the rooms to make sure social distancing is utilized to the greatest extent that is academically and socially appropriate.</p>
